I hereby request to be approved as an importer of record as defined under the protocol agreed to by the U.S. Federal Drug Administration and the Governor of the State of Baja California, Mexico. I hereby agree to follow the terms and conditions of the protocol which specifies that certified and non-certified tomatoes shall not be commingled, that adequate records and documentation shall be maintained to support the import and sale of certified tomatoes, and that these records and documentation are available for audit by the Secretaria de Fomento Agropecuario del Gobierno del Estado de Baja California. No certification shall accompany any tomatoes that are packed in used cartons or cartons not intended for tomatoes.
